Good Shepherd Lutheran Church Will Be Dedicated This Sunday

The Good Shepherd Lutheran church, Frankfort, will be dedicated at morning and afternoon services Sunday, April 20.

The morning service will be at 9:30 a.m. The Rev. Adolph E. Ullrich, pastor, will deliver the sermon.

The choir will present several numbers under the direction of Dr. Otto Novota.

Colors will be posted by members of the American Legion.

The afternoon service will be at 2:30 p.m. The speaker will be the Rev. Harold Wunderlich of Ottawa, who organized the congregation.

The Rev. Carl Hoen, of the Trinity Lutheran church, Tinley Park, will give the liturgy.

Guest organist will be Louis C. Heidemann, of St. Paul Lutheran school, Chicago Heights. He will also direct the male choir from that church in the presentation of an anthem.

Following the service, refreshments will be served by the Ladies Circle.

The Good Shepherd Lutheran church was organized April 3, 1956. The pastor, Rev. Ullrich, was installed at the first service on April 15, 1956.

For the first two years services were held in the Methodist church in the afternoon. Services are now being held in the morning.

The Good Shepherd congregation has purchased the former Methodist church and is now organizing a full program of church activities. The church is a member of the Lutheran church, Missouri Synod.

Tropical birds are especially susceptible to respiratory infections during winter months and should be protected from draughts, warn veterinarians.

Tinley Hosp. to Hold Open House Sunday April 27

The Tinley Park State hospital, which opened its doors to the first patients early this year will hold an open house for the public on Sunday, April 27, from 1 to 4 p.m.

The visitors will be escorted thru buildings and grounds in small groups. Two buses will carry them between buildings on the grounds. Helping in the guided tours will be volunteer aids from the local area.

All of the hospital's facilities will be open to the public, including wards, kitchen, dining rooms, laundry, operating rooms, x-ray department and laboratory.

The interesting excursion tour will also include travel thru underground tunnels connecting the buildings. Visitors may also view one of the apartments in the staff apartment building on the grounds.

Modern Laundry

The hospital laundry, which is the most modern non-commercial laundry in the state, will be in operation for the benefit of the viewing public. Using the fabulous machines, a staff of 12 handle all of the laundry for the hospital.

The interior walls of the rooms are of wood panel and the outer walls are of thermopane glass.

One mile of tunneling connects buildings and living quarters for personnel.

Located in quiet, peaceful surroundings, patients and employees.

Some Districts Vote Tax Rate Increases

School elections in the area brought voters out for a second time last week. In Illinois school elections are held the second Saturday in April and of course this spring there was a primary the preceding Tuesday.

Contests on some of the boards as well as proposals for increases in educational fund tax rates brought out more voters than usual in the school elections.

BREMEN HIGH

Glenn Tindall, director of public relations of Glenwood School for Boys, and William M. Libbert, both of Tinley Park, were elected to the board of education of Bremen Community high school at Saturday's election. A total of 1,738 votes were cast.

Tindall, who is a newcomer to the board, led in Tinley Park, Markham, and Hazel Crest, and pulled 686 votes.

Libbert, secretary of the board with eight years' service, led by three votes in Oak Forest and pulled a total of 715 votes.

Arthur Jennrich, who received 554 votes, was the leader in Midlothian and Forest Ridge; Steven S. Otrosa, who has been on the board for nine years, totalled 542 votes, the largest in Posen; and Richard Fogg, DDS, received 391 votes.

In Tinley Park the candidates received the following number of votes: Tindall, 167; Libbert, 163; Jennrich, 33; Fogg, 26; and Otrosa, 23.

Following is a capitulation of votes in the other precincts in the school district:

	Libbert	Otrosa	Jennrich	Fogg	Tindall
Posen	112	194	16	8	21
Mid'l'n	89	85	358	140	88
Forest Ridge	61	47	69	28	30

CARL SANDBURG HIGH

There were two tickets in the field in the Sandburg high school board election, one backed by the community caucus and the other by a group said to favor location of another high school in the Hickory Hills area.

The caucus supported candidates a little better than 4 to 1.

Running highest was Mrs. Helen Hatch, Hickory Hills, with a total of 1,860 votes. The other winners were Gordon Bendix and William R. Blew, the latter an incumbent and president of the board.

Unofficial returns gave the vote as follows:

Hatch	1,860
Bendix	1,803
Blew	1,799
George T. Lutz	444
Paul Flynn	399
Joseph Cammisio	385

The last three are all residents of Hickory Hills.

The Sandburg district owns a site on 111th street which was purchased with the idea of locating an additional school there when the population of the district warrants such a

Apron for Mamie Brings 'Thank You' to New Lenox Lady

Mrs. E. A. Osmus, of 419 N. Cedar st., New Lenox, has a prized possession. It is a letter from the first lady of the land, Mamie Doud Eisenhower, dated April 1, 1958.

The thank you note was an acknowledgment of a gift of an apron she presented to Mrs. Eisenhower as an Easter gift.

Mrs. Eisenhower expressed pleasure at the uniqueness of the gift. On the apron were embroidered the names of the Eisenhower grandchildren.

Mrs. Osmus, who has been designing and making unusual aprons for many important people, conceived the idea of making this particular one last Christmas. She wrote to Mrs. Eisenhower, requesting the names of her grandchildren and intended to make the apron to present to her next Christmas.

She decided not to wait until Christmas however, as ideas for the kind of apron she had in mind kept stemming up.

Mrs. Eisenhower expressed delight in her letter of the gay and springlike colors of the material. It was made in a basket effect pattern with tulips in bright colors of red and yellow, applied on an orchid background. The names of the grandchildren are embroidered on the bottom of the pattern.

Roof Overhang Makes Issue at Orland Park

Fifteen permits for new homes in Orland Park Hills Gardens representing about \$200,000 in valuation and fees of \$2,000 for the village have been held up pending settlement of the question of overhang.

Eleven of the homes described in the permit applications, it developed Tuesday, have overhanging roofs at the sides, May or W. R. Schussler Jr., told the council at the regular meeting Monday night, that he has received a number of complaints relative to overhang. Houses with overhanging roofs that are adjacent give the viewer a sensation of overcrowding, the mayor said.

The Orland ordinance referring to the problem says that the sideline of the main building cannot be closer than five feet to the side line of the lot.

The village board takes the position that the sideline of

Grass Fire Ignites Child's Clothing; Suffers Leg Burns

Calvin Damer, 2½ years old, suffered leg burns last week when his overalls became ignited from a smoldering grass fire, which was thought to have burned itself out.

Calvin is the son of the Rev. and Mrs. Walter J. Damer, 16621 Gaynell rd. His father is pastor of the Tinley Park Presbyterian church. The youngster's clothing was smoldering and had not burst into flame when the father saw the boy's plight and came to his rescue, ripping away the burning clothing.

Teenagers Magazine Prints Article By Lincoln-Way Pupil

An article by Everett Cline, a student at Lincoln-Way High school, appears in the February issue of the Illinois History magazine, a publication for teenagers sponsored by the Illinois State Historical Society.

His article, "The Rail Splitter vs. The Little Giant" deals with the debate between Abraham Lincoln and Stephen A. Douglas during the campaign for United States senator.

A facsimile of part of one of Lincoln's speeches accompanies the article, which will be considered for the Harry E. Pratt Memorial award of \$100 which is awarded by the Friends of the Lincoln Shrines, Inc., to the best student article printed in the February issue of Illinois History.

L-W Freshman Will Wash Cars To Raise Funds

The freshman class of Lincoln Way high school is sponsoring a campaign against dirty autos, a one-day affair that begins at 9 a.m. April 24.

It will be at Jerry's Standard Service station, Mokena and Rollie's Sinclair station at New Lenox. The work day is to end at 3:30 in the afternoon. Girls as well as boys will work at the task.

In case of rain the project will be continued until the following Saturday. Receipts will go into the class treasury.

Andrew Corp. Studies Plans For Addition

If plans materialize, the new addition to the Andrew Corporation plant in Orland Park, may start June 1, this year.

Plant Manager C. Russell Cox, is optimistic about business conditions and states officials are convinced that another big upsurge is taking shape.

Costing in excess of \$600,000, the addition to the plant would add 69,000 square feet of floor space to Building A, making a total of 123,800 feet under one roof.

The addition would consist of a two story office 40 feet wide and 170 feet long. A laboratory area of 9,400 square feet, partitioned from the factory, will be located just north of the office strip.

Limited parking, primarily for visitors is provided on the south side of the building. On the east, the present parking lot would be expanded to accommodate office employees while a new large lot on the north will serve the factory.

A tornado shelter is planned, which if necessary could also be used as a bomb shelter.

The plans for the new addition is in accordance with a long-range plan drawn up six years ago for the Andrew Corporation.

BLAMES TIRE FAILURE for accident on U.S. 45 near the WLS transmitter. State police from District 4 and an ambulance crew member are shown here removing a passenger from the wreck. The passenger, Joseph Carlucci, 86 years old, of 4029 W. Jackson st., Chicago, received a severe scalp wound for which he was treated at St. James' hospital, Chicago Heights. The accident occurred Saturday and Carlucci was discharged from the hospital the same day. He was a passenger in a car owned by Mr. and Mrs. Don Ponte, Western Springs, nephew and niece of the aged man. Mrs. Ponte was driving when a tire blew and the car went out of control. No other vehicles were involved. (Marvin Smith photo)

Pre-School Physical Exams at Orland Pk. Set For April 30

Youngsters who will enter Orland Park grade school next fall are scheduled to get their pre-school physical examinations and immunizing shots on Wednesday, April 30, in the school gymnasium, beginning at 10 a.m.

Mrs. Merrill Cooper, health chairman of the Orland Park PTA, has made arrangements for the inoculations and Dr. C. J. O'Reilly will be in charge.

The PTA asks parents to make every effort to have their children present when the shots are given.

A small dose of drug diluted with glucose and given daily in one-fourth teaspoonful of hard-boiled egg yolk will help song birds sing, a veterinary authority reports.

Heart Attack Proves Fatal to Roy O. Koerner

Roy O. Koerner, 44, who operated the service station at routes 45 and 30 for the past 15 years, died in Silver Cross hospital Sunday evening from a heart attack. He had been taken to the hospital at 5 p.m. that day and placed under oxygen.

He was born in Frankfort Jan. 20, 1914, the son of Mr. and Mrs. William Koerner. He was married to Miss Edith Smithpeters of Lockport on Aug. 26, 1936 and lived in Joliet several years until the death of his father. Then they moved to Frankfort and made their home with his mother, Lena Koerner. He has been

under medical treatment for a heart condition.

Surviving are his wife, a son Roy, Jr., a daughter Yvonne and his mother, all of Frankfort; two sisters, Mrs. Herman Weichbrodt, Crystall Falls, Mich., and Mrs. Joseph O'Connell, Chicago, and a brother Lester of New Lenox.

Homewood Junior Woman's Club In Finals of \$60,000 Contest

The Junior Women's club of Homewood, has been named as one of eight finalists in the \$60,000 community achievement contest co-sponsored by the General Federation of Women's clubs and the Sears-Roebuck Foundation.

Community achievement projects which helped bring this national recognition to the Homewood Junior clubwomen include support of the Homewood-Flossmoor Youth Center, now in operation, support for the formation of a Homewood-Flossmoor school district and the erection of a high school, scheduled to open in September 1959.

The 113-member club has always been active in local library, health, welfare and little theatre projects.

5,500 Clubs Entered

Over 5,500 GFWC clubs throughout the world entered the contest, including 244 from the Illinois Federation of Women's clubs. Placement as a national finalist makes the Homewood club entry eligible to win a prize ranging from \$1,000 (fourth prize) to \$5,000 (first prize), plus an added \$5,000 sweepstakes award.

A national judging team, accompanied by officials of the GFWC and the Foundation, will visit Homewood later this month to view the club's community achievement projects and to rank them in relation to the other finalists. Mrs. Joseph Colvert, 1259 Hickory, club president, has received instructions from Mrs. Mildred White Wells, contest director in Washington, D. C., to prepare a three-hour presentation of these projects for the judges.

A screening committee which met in Washington this week inspected the scrapbooks of 100 state winners in the contest in order to make the selection of community project eligible, eight finalists. With every type the contest places special emphasis on securing community cooperation in carrying out the projects.

The eight finalists are located in Wild Rose, Wisconsin; Payson, Arizona; Roanoke, Virginia; Ray, North Dakota; Clinton, Iowa; Lawton, Oklahoma; St. Helens, Oregon, and Homewood, Mrs. R. I. C. Prout, GFWC president, reported. Clubs in Wisconsin, Arizona, Virginia and North Dakota, each with memberships of 75 or less, will be judged separately from the clubs in Iowa, Oklahoma, Oregon and Illinois, each with over 75 members, she said.

In both groups, cash awards are \$5,000 first prize, \$3,000 second prize, \$2,000 third prize and \$1,000 fourth prize. In addition, the judges will select one sweepstakes winner, to receive an additional \$5,000 award. All prize money must be spent by winning clubs for the benefit of their communities.

The clubs will learn how they rate in the final judging when announcement is made at the GFWC national convention, on June 4 in Detroit, Mich.

Miss Yunker is the daughter of the late Mr. and Mrs. Robert Yunker, of Mokena. Her fiancé is the son of Mr. and Mrs. Paul Wilkinson, of Robinson.

Doris Mae Yunker

The wedding will take place at 7 p.m., Saturday, April 19, in St. John's United Church of Christ, Mokena. The Rev. William Riemann will officiate at the ceremony.

A reception will be held in the Mokena VFW hall, following the ceremony.

Miss Yunker graduated from Lincoln-Way high school in 1957. She is employed by an insurance agency at Chicago.

The groom is employed in a super market at Wilmington.

Invitations have been issued, but all relatives and friends are invited to attend the wedding and reception.

Dutch Student to Address Tinley Woman's Club

Miss Greet Sluiter, of Holland, who is studying for her doctorate in anthropology at the University of Chicago will speak at the meeting of the Tinley Park Woman's club on Wednesday, April 23, at 1:15 p.m., in the Central School.

Miss Sluiter worked directly with the Mau Mau tribe in Kenya, South Africa for four years. She was sponsored by the World Council of Churches and the British Council of Churches. She will discuss the reasons for the behavior and reactions of the Mau Maus and illustrate her talk with enlarged photographs.

There will be election of officers.

Mrs. Charles Kelly will be chairman of hostesses.

GAA Mothers- Daughters Dinner At L-W April 29

The GAA's (Girls Athletic Association) fourth annual mother-daughter banquet will be held on April 29 in the Lincoln-Way high school cafeteria at 6:30 p.m. After the dinner, a formal initiation of new members.

The local and state awards and pins will be presented. The local award, which consists of a chenille numeral of the year in which the girls will graduate, is earned by having 75 or 150 points. A state award, which is the chenille letter "I" for Illinois or the outline of the state of Illinois, is earned by having 225 or 300 points. These points are based on the number of times you are present at GAA. One and a half points are given for each day of attendance.

The finale of the evening will include the announcement of the officers of next year's GAA, the GAA camp representatives, and the senior honor award. Miss Barbara Sprayberry is in charge of the GAA.

Doris Yunker Feted at Bridal Shower in Tinley

A surprise miscellaneous shower for Miss Doris Yunker of Mokena, was held in the home of Mrs. William F. Haas Jr., 183rd and 94th ave., Tinley Park on Thursday evening April 10.

Co-hostesses with Mrs. Haas in the shower were Mrs. William McCullough, Miss Arlene Keuch, and Mrs. Clarence Lauffer.

The guest of honor received many beautiful gifts from the 18 guests who attended. Games were played following the opening of the gifts.

The traditional decorations included a sprinkling can decorated a large chair for the bride-to-be.

A large decorated cake was served by the hostesses.

Tinley Residents Display Hobbies At Markham Show

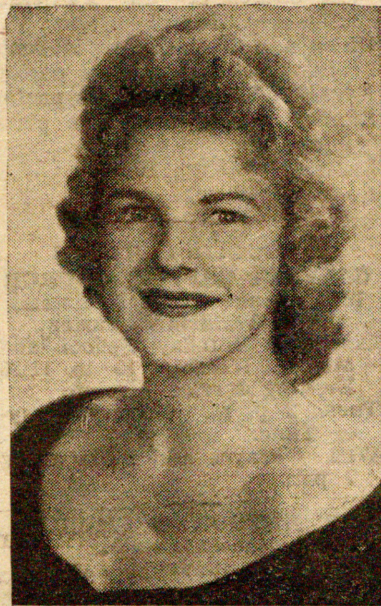

Among the 70 hobbies on display at the Hobby Show held last week-end at the Markham Park school, were the humorous wood carvings of Edward DeGraff and the collection of over 200 bells belonging to Mrs. Ores Cushman.

Mrs. Cushman, who is a member of the American Bell association, has been collecting these interesting items for the past eleven years. She has a bell from a navy ship, temple bells, mission bells, sleigh and table bells as well as bells from cows, goats, sheep, camels, elephants and reindeer.

Probably her oldest bell is the doctor's bell from Quebec. Used in the early days of the settling of Canada, the superstitious natives were sure the skeleton face on the front and back drove away the evil spirits.

Mrs. Cushman has exhibited her bells at Chicago Hobby shows, and many groups, such as Girl Scout troops, schools, etc.

Mr. DeGraff, whose wood carvings have been featured in newspapers, has exhibited them at the Chicago public library and other exhibitions.

ENGAGED—Mr. and Mrs. Charles H. Meyer of 6342 Pine Point Drive, announce the engagement of their daughter Patricia Anne to Mr. Ronald H. Koehler, son of Mr. and Mrs. Herbert Koehler of Oak Forest, Ill. The marriage will take place in July at St. George church in Tinley Park.

Legion Auxiliary at Orland Park Meets With Adele Cooper

The regular meeting of the American Legion Auxiliary 526 was held in the home of Mrs. Adele Cooper, Friday evening. Mrs. Emily Zerbs assisted during the social period.

President Dorothy Thoms, Lilah Kruspe and Sarah Myrick attended the 8th district meeting, April 9 at Rehfeld-Meyers unit in Matteson, where memorial services were conducted for deceased members in the district. Mrs. Myrick represented the Orland unit in memory of Mrs. Sadie Glahn.

Mrs. Thoms gave a report on the Patriotic conference she had attended. The unit will contribute \$3 to the USO "buddy phone calls". This is rather a unique way of serving the boys who stop at the USO for refreshments and monies to make a phone call to their parents. The name of the unit contributing to this project is written on the back of a paper plate, so the lad who receives one of these may call his home.

The Past President's Parley dinner will be held Monday, May 19 at 6:30 p.m. at Citrini's 1003 Halsted street, Chicago Heights. Past president are to make their reservation with Mrs. Dagmar Myrick before May 12. It was reported that Pat Brassch was a patient in Little Company of Mary hospital.

After adjournment, refreshments were served.

CHRISTIAN SCIENCE CHURCHES

The spiritual relationship of God and man will be brought out at Christian Science services Sunday, April 20, in the Lesson-Sermon entitled "Doctrine of Atonement."

Scriptural selections to be read include the following from John (17:1, 20, 21): "These words spake Jesus, and lifted up his eyes to heaven, and said Father, the hour is come; glorify thy Son, that thy Son also may glorify thee: . . . Neither pray I for these alone, but for them also which shall believe on me through their word; That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (336:25-26): "God, the divine Principle of man, and man in God's likeness are inseparable, harmonious, and eternal."

Billy Graham Film Will Be Shown In Mokena Church

The latest Billy Graham film "Miracle in Manhattan" will be shown on April 23 at 7:30 p.m. at the Park View Baptist church of Mokena.

This film shows the highlights of the entire 15 weeks of the Billy Graham New York Crusade. It presents unparalleled coverage of the greatest single effort in the history of evangelism. The music is superb. The largest crowd ever to assemble in Yankee Stadium will be shown.

Everyone in the community is welcomed to view this great picture of Christianity in action. A free will offering will be taken for the support of the work of the Billy Graham team.

PTA News

MOKENA UNIT
The Mokena PTA will hold its regular meeting Tuesday, April 22 at 8:00 p.m. in the school gym. Mrs. Clarence Miller will review the book entitled "The House that Jack Built" written by John Gould. A bake sale will be held following the meeting. Proceeds will be used to purchase a utility

cabinet for the school kitchen. Refreshments will be served by the fifth grade mothers, Mrs. LeRoy Harling and Mrs. Vernon Bormet, co-chairmen. All members and friends are invited to attend the meeting and bake sale.

On May 1, the PTA will be host to the meeting of the Eastern Area Will County PTA at the Mokena grade school.

TINLEY PARK UNIT
"What Will Junior do Come June?" will be the subject of the Tinley Park PTA at its regular meeting on April 18 in the Central school auditorium. Mrs. Clara Maier, assistant playground director of the Aurora playground department, will be the guest speaker, and will discuss meeting the recreational needs of children during the long summer months.

Refreshments after the business meeting will be served by second grade mothers. The public is cordially invited.

NEW LENOX UNIT
The New Lenox Parent Teacher association met Tuesday night April 8, in the Haven school. Mrs. Roy Minger, president of the association presided.

It was announced that the PTA state convention will be held in Springfield April 17, 18 and 19.

John Oster, superintendent, urged parents to have their kindergarten and fifth grade children examined for school early this year.

Mrs. John Bell, program chair man, introduced the speaker for the evening, Herman Schroeder of the diagnostic depot at Stateville penitentiary, Joliet, who gave an interesting talk about statistics at Stateville.

A film from the Loretta Young TV show made possible by the Citizens for Decent Literature, from Cinneinatti, Ohio, was shown.

The first grade mothers were hostesses and served refreshments from a table decorated in pastel colors, and centered with a large Easter Egg tree. Members of the New Lenox grade school band will entertain at the next meeting.

ORLAND PARK PTA
The Orland Park PTA are sponsoring a movie on Friday night, April 18, in the school gymnasium at 7:30 p.m. The feature film in color will be "Courage of Lassie", starring Tom Drake, Elizabeth Taylor and Lassie. There will also be a short cartoon. The movie, with cartoon and a short intermission will last two hours.

Many observers expect a rough, no-holds-barred battle between the "big three" car makers and the United Auto Workers union when new contract negotiations take place this year. Victor Riesel writes of the possibility of the companies stockpiling as many as four million cars and Walter Reuther building up a \$50 million strike fund. Then both sides would be ready for a prolonged shutdown.

Laguna Woods

Have you heard the good news? Mr. and Mrs. William Donohue are the proud parents of a son, Paul Carey Donohue. The baby was born April 7 and weighed 6 1/4 pounds. He was born in the Little Company of Mary hospital in Evergreen Park. Mrs. Donohue and baby Paul arrived home Friday evening.

Baby Paul's visitors Saturday were Mr. and Mrs. Al Karre, Mrs. Art Aiello, Mr. and Mrs. R. Anderson, Mr. and Mrs. J. Nelson and daughter Janine, Mrs. G. Brown and Mrs. M. McBride.

Mrs. George Brown has appointed Mrs. Jack Nelson as her assistant on the social committee.

Friday evening the Orland Park Parent Teachers Association sponsored a roller skating party at the Orland Park school gym for the grade school children and their parents. Many of the children from Laguna Woods attended as did some of the parents.

Its been suggested that a group be formed for people who like to paint. Artists and would be artists could meet at each others homes and take advantage of the summer landscapes. The artists we know of are: Mrs. Ralph Leeland, Mr. and Mrs. Jack Nelson, Janine Nelson, Mose Hegyi and Mrs. Lyle White. Would be "dabblers" are Mrs. Brown, Mrs. Arnold and Mr. and Mrs. Anderson.

"Scuttlebutt"? The firemans dance this Spring is to be a Hard Times party, and will be held at Goodings Grove. Pick up the worn out work clothes and lets go!

Ventilation of silos to prevent the accumulation of gasses which may be poisonous is essential in preventing "silo filler's" disease, warns the American Veterinary Medical Association.

Power Firm Gives Awards to Homes of High Standards

Live Better Electrically medallions are being awarded by the Commonwealth Edison - Public Service company system this year to give recognition to new homes which feature superior installations of wiring, lighting and appliances.

The awards are either gold or bronze, depending on the degree of home electrification.

According to the utility, the gold medallion represents the hallmark of electrical excellence in home building. It is awarded only to homes that are completely heated by electricity, and exclusively equipped with modern electrical appliances.

Recently a gold medallion home has been completed in Glen Ellyn and others are under construction in Rutland, Westchester, Flossmoor, Carpentersville, Downers Grove and Deerfield.

Indians in Canada are legally classed as minors.

Letters To The Editor

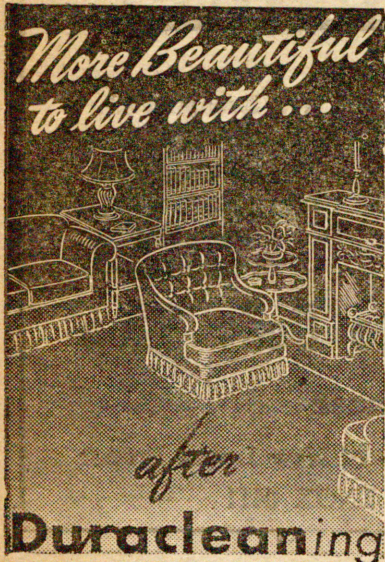

April 9, 1958

To the Editor:

For an animal to be seated and fed at a table in a public place is in extremely poor taste.

For its master to offer a strange child food from the same plate, in the hand that fed the animal, is revolting.

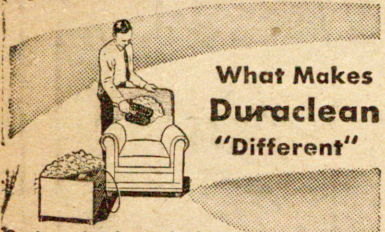

The occurrence described a-

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts, right in your home. Watch the unusual care with which these craftsmen beautify your furnishings.

Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.

This patent protected service is recommended by America's leading furniture and department stores.

What Makes Duraclean "Different"

It cleans by absorption!

Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "matting" or "rapid resoiling." Duraclean avoids this.

The mild aerated Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconvenience! Duracleaned fabrics are dry in just a few hours. Special ingredients re-enlive wool fibers. Rug pile unsmats and rises. Colors revive. Your fabrics are left clean, fresh, enlivened... your home is more beautiful to live with.

Duraproof—If you wish, you may at the same time have your floor coverings, upholstery, clothing or furs Duraproofed. You have 4 years protection against damage from moths and carpet beetles. Also protects against mildew. The annual cost is lower than applying less effective moth solutions yourself. Have your fabrics Duraproofed today—before damage develops.

PTA News

ORLAND PARK UNIT

The regular monthly meeting of the Oriand Park PTA was held in the public school, April 1 at 8 pm., with Mrs. Hans Bader, president, presiding.

Mrs. Orville Schmaedeke reported that the ways and means committee would sponsor another movie April 18.

Mrs. Merrill Cooper, health chairman, reported the immunization shots would be given for pre-school children on April 30.

The 8th grade won the room award for having the most parents present.

Mrs. Dorothy Groskopf, program chairman, introduced W. C. Fisher, superintendent of Carl Sandburg high school, who gave a talk on the problems confronting the high school student and the ways in which the parents and teachers can help.

It being father's night, refreshments were served by Elmer Libner, Hans Bader and Harry Burson, assisted by the 5th grade room mothers, Mrs. Joseph Lebens and Mrs. Clarence Kelsey.

ALPINE GIRLS

The Alpine Girls 4H meeting was held April 1 at 7:30 in Maue school. The meeting opened with the Pledge of Allegiance to the flag.

Mrs. Harlow Stellwagen showed the ribbon members had received on their 4H window display. We appreciate the kindness of Erwin Yunker for the use of his window.

It was announced that we were welcome to go to the Orland Boys 4H meeting April 14, and hear a speaker from the Orland bank.

Reservations for 4H camp are open during April, and Share the Fun is May 20.

Barbara Strassenburg and Janice Knieriem told the club about the 4H rally. The junior leaders distributed some of the project books.

Sharon Lauffer gave a demonstration on how to make yeast bread rolls. Elaine Yunker gave a piano solo "Autumn Sunset." Kay Maue gave a demonstration on how to make deviled eggs. Joan Stellwagen gave

Work Out Details For Probation of Tinley Trio

Hearings on peitions charging three Tinley Park youths with delinquency were held last Thursday before Judge John C. Cowing, county judge of Will county, at Joliet. The three boys are on parole to their parents while details are being worked out concerning their probation.

The trio picked up in connection with a burglary of the Conoco service station at Lincolnwood the night of March 17, was arrested at Tinley Park and brought to Joliet where they were held in the county jail for several days before being released on bonds of \$2,500 each.

The night of the burglary the youths were armed with a sawed off 410 gauge shotgun which was recovered later in a car driven by John Hargrove, along with several automobile tires taken at the service station. This gun, as well as a loaded .32 calibre pistol, are alleged to have been owned by Fred Schaff, 15, who with Gerald P. Darcy, 16, comprised the other members of the trio.

In the original story concerning the arrest of the three youths it was erroneously stated that the pistol was found in the Hargrove car. The pistol was found in Schaff's car, also a stolen tire. The 17 cartons of cigarets taken in the burglary also were recovered, having been found in Hargrove's car.

Marie Meier gave a talk on Baby Beef cattle. Betty Stellwagen gave a demonstration on how to make a spring corsage. The meeting ended with the 4-H pledge.

Refreshments were served by Janice Knieriem and Barbara Strassenburg. Any person wishing to join the club may contact Mrs. Alma Stellwagen.

Lincoln-Way Nine Loses Opening Game

Rockets Win 8 to 3 in Conference Tilt; Crete Victors 5-4

By FRED KIESLAR

There is gloom on the Lincoln-Way campus among the baseball fans as a result of the results of the Knights opening games. They lost the first to the Crete-Monee last week, 5 to 4 and then dropped the Southwest Suburban conference opener to Rich 8 to 3 last Thursday.

Lincoln-Way wasn't the only thing that was cold on Thursday. So was the day. The mercury dropped to 36 degrees and the game was called in the fifth inning because of the low temperature.

The game was even until the third frame when the Knights had difficulty in getting Rich quieted down. The Rockets batted clear around and in the process scored four runs. The Knights came back strong in the fourth with three tallies but Rich counted two more runs in the same inning and two more in the fifth. Al Buchmier was the winning pitcher and Dave Zechlin the loser.

In the game with Crete-Monee the Knights were the first to score. In the second inning Henry Jessen singled, went to second and third on errors by the catcher, and scored on a single by Tom Dusek. Dusek scored a few moments later when Zechlin tripled to center.

The Warriors scored their first run in the third but trailed 4 to 1 in the fourth after the Knights gained two more in that inning. Then Crete made another run in the same inning, another in the fifth and two more in the sixth. Jim McGuire was the losing pitcher, Becker the winner.

Sandburg Beats Bremen 8-1 In Season Opener

Carl Sandburg High school baseball team won the season's opening game Monday on their home diamond by defeating Bremen 8-1.

The Bremen team, plagued by errors, garnered only two hits from Sandburg pitcher, Richard Aird; these by Jerry O'Neill and Gary DuBois.

Jerry Miller, pitcher for Bremen, allowed nine hits and walked seven men, while striking out three. The winning pitcher, Aird, struck out 11 and walked two.

Sandburg faced Rich on their diamond yesterday and will play Reavis at home Friday afternoon.

Tinley Lions Enter 2 Bowling Teams in District Torney

Two bowling teams, composed of members of the Tinley Park Lions club, are entered in the Lions district 1-A bowling tournament. Members of team one, are Phil Dykstra, Al Ebell, Don Hollingshead, Bill Francis, and Robert Rawson. Team two is composed of Lyle Nelson, Kenneth Schmudde, Leslie Johnson, Walter Fierke, and Phil Virtue.

The tournament is being held at the Scottsdale Lanes, Sunday, April 20.

"There has been a lot of controversy over the question of Daylight Time. Certainly we approve of it ending in September, especially for the sake of children who must ride buses to school. By October it is dark for the ones who got there first."

Owners Who Let Dog Roam Subject to Arrest, Fine

Stray dogs continue to be a problem at Orland Park and the village council left instructions for the police to either pick up the dogs or the owners.

Orland Park has an ordinance which prohibits owners from letting their dogs run loose. Under the terms of the measure owners who fail to follow its provisions are subject to arrest and fine.

Officials at the Orland Park grade school complained to village authorities that several youngsters have been bitten by dogs roaming the playground.

District Lions to Fete Wives at Dinner Dance

The annual District 1-B Region 1 Lions ladies night dinner-dancing party will be held at the Joliet Moose hall April 19, starting with a dinner at 7 p.m.

Following the dinner, there will be entertainment as well as guest speakers. Dancing will start at 9:30 p.m. A popular orchestra will furnish music for dancing.

Melvin Jones, secretary-general and founder of Lions International, along with Harry Cooper, director of public relations for Lions International, are expected to attend.

Deputy District Governor George Kampe, of Monee, is general chairman of the ladies night.

Other committees are: entertainment, Joliet and New Lenox clubs, with Edward J. Koehl, chairman; reception, Crete club, with Eldon Anderson, chairman; decorations, Frankfort and Lockport clubs, with John Fash, chairman; program and tickets, Plainfield club, with Walter Peterson, chairman; flowers, Lemont club; master of ceremonies, Plainfield club, with Don Worell, chairman; song leaders, New Lenox club, tailtwisters, New Lenox and Mokena clubs, with Don Wennlund, chairman, and publicity, Elmer F. Ott, District 1-B public relations director.

All the women will be given corsages.

Clubs in the region are, Joliet, Lockport, Lemont, Plainfield, Crete, Frankfort, Manhattan, Mokena, Monee and New Lenox.

Home Buyer to Get Refund

(CNS) A settlement with Lloyds of London whereby 112 home buyers who deposited \$153,362 with the Cosmic Construction company, formerly at 135th and Southwest highway, will receive more than half of their payment, has been approved by U.S. District Judge Walter J. LaBuy.

The decree ended a suit brought early in 1956 by the Chicago Metropolitan Home Builders' association under a "group honesty" bond covering any "wrongful misapplication" by members of the association. Cosmic, a partnership consisting of Hans Schaller and Victor Baran, was in bankruptcy until the proceeding was dismissed for lack of assets.

Since William J. Howe, owner of the land on which Cosmic was to build in the Palos Highlands and Orland Hills subdivisions, around 135th and 82nd avenue, Palos township, previously made a \$22,500 settlement, the decree recites, the payment of the new settlement of \$70,000 by Lloyds will permit payment of 53.49 per cent of the \$130,862 in claims remaining.

Some of the Cosmic homes were completed and others partially completed before the firm closed in February, 1955, and most of those who had moved in made settlements with mortgage and mechanic lien holders, or with Howe, the land owner.

Proceeds of the bankruptcy went largely to pay fees. Most of the home buyers were veterans, and may still live in their former homes.

Animals with long legs also have long necks in order to reach their food without bending their knees.

Lambs under three months of age are most frequently and seriously affected by coccidiosis and crowding too many lambs and ewes into the same lot may cause heavy losses from that disease.

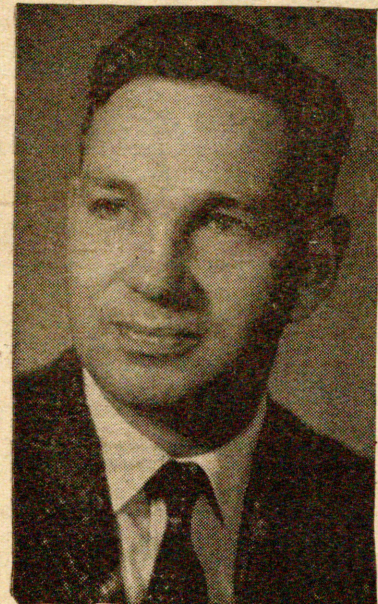

A successful irrigation system must be part of a complete farm plan that is based on land capabilities as well as on the amount of capital and managerial ability of the farmer.

Dr. Wright Will Head School At Rochester, Minn.

Dr. Ralph Wright, assistant principal at Lincoln-Way high school, has resigned, effective at the close of the current term, to become principal of a new senior high school at Rochester, Minn.

Dr. Wright tendered his resignation to the board of education last week and it was accepted with sincere regret. He is completing his fourth year at Lincoln-Way. Besides being assistant principal, Dr. Wright also has been director of the guidance program at Lincoln-Way.

His work in connection with a guidance program has brought state and national recognition to the school. In the

Dr. Wright

past year the U.S. Department of Health, Education and Welfare made a complete study of the program at Lincoln-Way.

Dr. Wright also has conducted several graduate and undergraduate courses in guidance under the direction of Bradley university. These courses usually have been held at Joliet township high school.

He received his bachelor, master's and doctor's degree at Bradley in Peoria. He spent three years in the U.S. Army and three years as a civilian education officer in the reorganization of the Japanese schools.

The school which he will head at Rochester is a new \$4-million plant now nearing completion. The school will serve sophomores, junior and seniors and the enrollment is expected to be about 1,500.

Dr. Wright will be succeeded as assistant principal at Lincoln-Way by Earl F. Dieken, curriculum director and head of the English and social studies department.

The Wrights live in Lincolnwood.

CHERRY VALLEY

Fruit Cocktail

3 29-Oz. Cans **\$1**

If you've always thought all fruit cocktail was alike, then you have a surprise waiting for you when you open a can of Cherry Valley Fruit Cocktail. It's Jewel's own luscious blend of tree-ripened peaches, juicy pears, seedless grapes, red cherries and tangy pineapple.

Because you use fruit cocktail for the appetizing touch it adds to salads, gelatin molds and desserts, only cleanly-cut dices of fruit go into Cherry Valley Fruit Cocktail. This means you never get a lot of little fruit fragments.

And think of this—Jewel buyers check every shipment for good bright flavor and perfectly ripened fruit. Why? Because, for example, if pears are too ripe they "powder" off into tiny pieces and cloud the syrup. And if they are too green, they're hard to the bite. Among professional buyers this sampling process is called "cutting"—it's their way of assuring you of that famous Jewel quality.

Imagine the dozens of glamorous desserts and salads you can make if you win a whole case of Cherry Valley Fruit Cocktail playing Jewel Extra Value Line-Up. Remember, you're always the winner when you rely on Jewel quality!

NW Choral Union Will Sponsor Cantata Sunday

The Northwestern University Choral Union and choirs from several churches in the area will unite in a concert featuring Benjamin Britten's cantata "Saint Nicolas" on Sunday, April 20.

The combined choral group of 350 voices will be comprised of the 150-voice Choral Union; four youth choirs from the First Methodist church, Evanston; the Choristers, a youth choir from St. Mark's Episcopal church, Evanston, and the Parish Boys' choir from St. Paul's Episcopal church, Chicago.

Accompaniment will be by members of the Northwestern University Symphony orchestra and Austin Lovelace, organist at the First Methodist church, Evanston.

William Ballard, director of choral organizations in the University's school of music, will conduct.

The concert will be held at 4 p.m. in the First Methodist church, Hinman ave. at Church st., Evanston. It is open to the public without charge.

Explains Danger In Tacking Posters On Utility Poles

Public Service Company's District Superintendent, George Biederman, is appealing to campaigners not to post bills on utility poles. This applies to all other bills or posters.

Several employees have been severely injured in coming down poles due to nails, tacks and other instruments used to attach posters.

It certainly does not help the appearance of a community to have its poles defaced and unsightly. We have adequate mediums for advertising in our newspapers and television programs, as well as the mail, said Biederman.

Wabash Crossing At Orland Park Still Problem

What is the Wabash railroad doing about providing protection at the 143rd street crossing in Orland Park?

That question was raised last Monday night at the village board meeting by Trustee Bretland Blair.

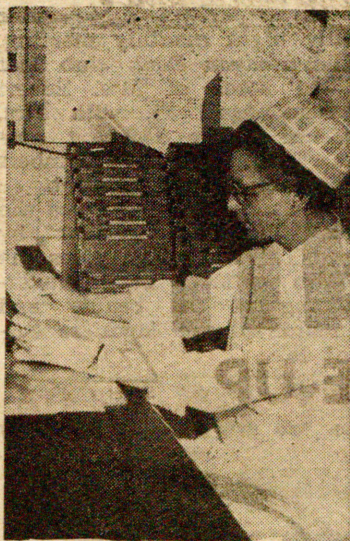

Last May 13 the Orland Park council met with representatives of the signal department of the railroad and the Illinois commerce commission.

The council wanted safety gates installed but the railroad and the ICC said "no," that gates were not necessary at a crossing carrying but a single main line. There are several side tracks at the crossing and the blinker lights now installed can not be seen in bright sunlight; it was pointed out.

The railroad, the ICC representatives and the Orland Park council reached a compromise on a protective device said to be an improvement on the one now in use. What was needed was an OK by the Cook County highway department, and the necessary materials which were said to be in short supply.

Village Attorney Raymond Pieper has written the railroad since the first of the year asking what is being done about the crossing. The reply was somewhat vague but indicated that the county highway department was still to be heard from.

So far as the board has been able to find out there should not be a shortage of material now but the answer to Mr. Blair's question as to what the railroad was doing to give better protection for the crossing apparently is the same as it

field time

You can farm more acres...or farm the same acreage in less time with the Allis-Chalmers D-17. This new tractor represents big farming power built for you.

You can really cover the acres with a big moldboard plow...a 15-foot tandem disc...a 24-run grain drill. And the D-17 handles easier than most small tractors!

New Power Director lets you shift from low to high range on-the-go...or stop entirely...all without clutching or affecting PTO speed.

Before you decide on your farm power for '58, ask to drive the big new D-17.

Orland Park: Fleidbrook 9-0212

The Woman's Society of Christian Service of the Palos Heights Methodist church invite the members of the Orland Park WSCS to their monthly meeting, Monday, April 21 at 12:30 p.m. A dessert luncheon will be served followed by meeting and program. The speaker will be Mrs. Herbert Null, who will show slides and speak of her experiences in Japan.

The Auxiliary to the Volunteer Firemen of Orland Park will meet in the home of Mrs. Hilda Nitsche, Monday, April 21 at 8 p.m.

The Boy Scouts will sponsor another paper drive Saturday, April 26. Have paper bundles placed at the curbing of your home please, so as to make it easier for boys to collect.

A White Elephant and bake sale conducted by President, Mrs. Karl Ekberg, of the Orland Park Woman's club will be held her home Friday, April 18 starting at 9:30 a.m. Luncheon will be available. Proceeds of sales will go toward the American Cancer drive which will be conducted all next week.

The Esther Circle of the WSCS will meet at the home of Mrs. Charles Cooper, Thursday, April 24 at 11 a.m. Bring a sandwich, the hostesses will serve coffee and dessert.

The WSCS of the Methodist church will conduct their annual rummage sale Tuesday, April 29 in the church social room, starting at 9 a.m. Lunch will be available.

Mr. and Mrs. Harold Braasch of 108th ave., are the parents of a baby girl, born Thursday, April 3 in Silver Cross hospital. The baby weighed seven pounds four ounces and has been named Paula June. Grandparents are Mr. and Mrs. Harry Pihl and Mrs. Anna Braasch.

Mrs. Jim T. Pomeroy is being congratulated on the birth of another grandson, born Wednesday, April 9 in the hospital at Downey, Calif. He has been named Charles Edward. His parents are Mr. and Mrs. Jim T. Pomeroy, former residents of Orland Park. Charles Edward has two sisters and a brother.

Mrs. Amanda Jordon is a patient under treatment in St. Joseph hospital Joliet.

Mrs. Forrest J. Miller is a patient in Englewood hospital, Chicago where she will undergo surgery.

Mrs. Fred Uthe who was a patient in St. Francis hospital, Blue Island, for treatment, is home and feeling some better.

Mrs. Herman Uthe is a patient in Little Company of Mary hospital, Evergreen Park, undergoing treatment.

Mrs. Howard Braasch who was suffering with a sore throat a week ago Sunday, followed by two convulsion spells the following Tuesday, was taken to Little Company of Mary hospital for treatment. She is home and feeling better. Mrs. Braasch is a member of the American Legion Auxiliary. Members are asked to send her a card.

Mrs. Fred Kittel had the misfortune of fracturing her hip when she tripped and fell on the floor of her home early Friday morning. Mrs. Harry Steinfatt who went to call on her could not get any response, but heard Mrs. Kittel calling for help. As the door was locked, she had to climb thru the window. She was taken by ambulance to Little Company of Mary hospital where she will undergo surgery.

Ralph Kelsey of Menominee, Mich., was an overnight guest last Thursday of his brother, Clarence Kelsey, West ave., Orland Park.

Lori Jean McIntosh, infant daughter of Mr. and Mrs. John McIntosh, was christened Sunday, April 13 at 2 p.m. in Christ Lutheran church. Mr. and Mrs.

George McKeone were the sponsors. A 5 o'clock dinner was given in the home of her parents to 15 guests.

Mr. and Mrs. William Davidson have returned from a trip to Hollywood and Miami. They traveled by plane.

Mr. and Mrs. Robert Miller and daughters, Judy and Stephanie enjoyed a flying trip to Florida.

Gino Federici, son of Mr. and Mrs. Anthony Federici, 167th and 94th ave., has been promoted from master sergeant to second lieutenant in the ROTC battalion at Kemper military school, Boonville, Mo. Federici is one of only 29 cadet officers in the Kemper corps of some 440 cadets. He is only a second year student at Kemper, and to make cadet officer in less than two years is unusual and indicative of great leadership ability, according to Major T. S. Timberlake, head of Kemper's ROTC program.

Elect Officers

Officers of the William Martin VFW post elected at their last meeting are: Clarence Zugenbuehler, re-elected commander; Jim Beets, senior vice commander; Pete Nelson, junior vice commander; Wilbur Schalk, quartermaster; Andy Harr, judge advocate; Elmer Tepper, chaplain; Herman Konow, surgeon; Jack Gorman, trustee, three years.

Auxiliary

New officers for the VFW post auxiliary are: Mildred McMillan, president; Josephine Benson, senior vice president; Evelyn Moss, junior vice president; Margaret Seal, treasurer; Olive Williams, chaplain; Lucille Long, conductress; Dorothy Homfeld, guard; Helen Murphy, three year trustee.

Both groups of officers will be installed at public joint installations held in the VFW hall, Saturday, April 28 at 8 p.m.

The post members are busy having clean-up at their hall. They are painting the interior of the hall and plan to tile the inside steps at the front entrance and to encase the water pump at the foot of the inside stairs.

Mrs. Emma Beasgreay, of Long Beach, Calif., has been a guest of her cousin, Mrs. Albert Braun, of her friends, Mrs. Ernest Edwards and of her brother, Fred Weber in Joliet.

The four month old son of Mr. and Mrs. Ralph Stahl, Michael, of Frankfort who was a patient for observation in Silver Cross hospital, returned home Thursday and is slowly improving. He was having a little trouble in getting used to his food.

A large attendance was present in the Methodist church Sunday morning to hear the Rev. William Cox, missionary on furlough from Africa, speak. In the evening he showed colored slides of his mission and people to a large attendance.

Coffee, cake and pie were served following the evening service as a part of the regular family night monthly meeting.

The Mokena Book club met in the home of Mrs. Robert Schlacks April 11, with Mrs. Clarence Miller assisting hostess. There were 25 members and three guests present.

Mrs. George Bills reviewed the book, "The Three Geishas" by Kikou Yamata, which gives the western reader a better understanding of the beauty and standards of the Japanese cultural life.

A. C. Jeffery, 84, Former County Treasurer, Dies

Archibald C. Jeffery, 84, a former county treasurer of Will

county and an ex-mayor of Joliet, died Monday at his home in Joliet, following a long illness.

Mr. Jeffery was resident manager of Lincoln-Fields race track when it was first opened and remained as such for many years. He also was formerly director of peri mutuels for the state of Illinois and also served as assistant director of internal revenue for the Chicago district. He was a leader in Republican policies in Will county for many years.

Besides his wife, Caroline, Mr. Jeffery is survived by two sons, Archibald G. of Joliet, Joseph of Madison, Wis., and a daughter, Mrs. Gertrude Haines, of Atlanta, Ga.

Funeral services will be held this afternoon at 2 o'clock at the Olson funeral home, 202 S. Eastern ave., Joliet, with burial in Elmhurst cemetery.

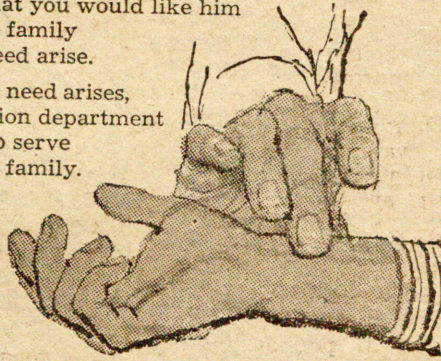

"MY DOCTOR..."

This possessive phrase is familiar to all. It represents the profound confidence American people have in physicians. But do you really have a family physician?

Even though you may have been fortunate, not requiring medical care, it is stitch-in-time wisdom to establish a "family doctor" relationship.

Simply contact the physician of your choice, requesting that you would like him to serve your family should the need arise.

And if such a need arises, our prescription department is prepared to serve you and your family.

Finish Work on Giant Sphere at Dresden Nuclear Power Station

Another major step in the construction of Commonwealth Edison Company's Dresden nuclear power station has been completed with the successful testing of the plant's huge 190-foot steel sphere, Willis Gale, Edison chairman, announced today.

The plant is located on the Illinois waterway 50 miles southwest of Chicago. It is being built by General Electric company.

The 3,500-ton sphere, which will house the country's largest nuclear power reactor, was filled with compressed air to a pressure of 37 pounds per sq. inch. This is 25 per cent above the design pressure of 29½ pounds per square inch.

Move Equipment In

With the test completed, two large temporary openings are now being cut thru the 14 inch thick steel to permit moving in material and equipment for installation inside the sphere.

The largest piece of equipment to be moved in will be the 350-ton reactor pressure vessel. It is inside this vessel that the fissioning will take place. The vessel is being fabricated by New York Shipbuilding Corporation at Camden, N.J.

It is so massive it must be shipped by water. It will be routed over the Atlantic and Gulf Intracoastal waterways to New Orleans and then up the Mississippi and Illinois waterways to the site. Delivery is expected late this year.

Ahead of Schedule

"The Dresden program is well ahead of the original schedule", Mr. Gale said. "We believe that Dresden Nuclear Power Station will be the first full-scale, privately-financed atomic power plant to come into operation in the United States."

"Our contract with General Electric calls for completion by December 7, 1960. We are confident it will be ready for operation by the middle of that year. The most recent schedule indicates that fuel will be put in the reactor in the latter part of 1959, leaving six months for preliminary tests."

Dresden is being built by General Electric for a contract price of \$45,000,000. It will be owned and operated directly by Commonwealth Edison.

It's a moot question whether it is better to have loved and lost or to have won and be bossed. —CHANGING TIMES

Hay should be withheld 24 hours from cows which are to be given magnets as a preventive against "hardware disease," says the American Veterinary Association.

most nursery catalogs, Wicklein adds.

Also, consider the ornamental characteristics of plants before you buy. Find out the flower color, blooming season, height, texture and growth habits (upright or spreading) of each plant. A wise selection will include variety in each.

Trees and shrubs can serve a variety of purposes in your landscape setting. They can screen an unattractive view and give interest to a dark shaded area; shrubs with white blossoms are appropriate for such areas. They can frame a view to the house or away from the house. They can give shade in the summertime. And evergreens provide interest in a landscape setting.

Job Outlook for College Grads Under 1957 Level

June college graduates won't wallow in as many job offers this year as they did last. A general lag in the employment market has taken some of the frenzy out of campus recruiting, according to a copyrighted story in the April issue of CHANGING TIMES, the Klipinger Magazine.

Last spring competition was so hot that companies had to make about four offers for every technically trained student hired and nearly two offers before they could sew up a nontechnical man. This year competition will continue, says the magazine, but not at such a strong pace.

Last year the average starting salary for technically trained men was around \$465 a month. This year it will go to \$485. Aeronautical and electrical engineers and engineering physicists received the best pay last June. But cutbacks in aircraft

and electronics may hold demand down somewhat for these men this year.

Nontechnical graduates got about \$400 a month last spring. That will be up to about \$425 this year. Accountants, however, will start at about \$465; and insurance, banking and retailing may command above average pay, too.

Legal Notice

To whom it may concern: That on the 28th day of April, 1958, at 8 pm. the Zoning Commission of the Village of New Lenox will consider the appeal of H. J. Frick for the Holt Estate, to change Lot 1, Block 8, Village of Tracy, now known as New Lenox, from an R-1 zoning classification to a B-1 zoning classification.

This property was always used as a doctor's office but the property was classified as a non conforming use.

Mr. Frick is now interested in getting the property rezoned to carry a B-1 rating.

Sanitary District Makes Pollution, Flood Survey

The trustees of the Metropolitan Sanitary District of Greater Chicago are undertaking a wide study of flood and pollution problems in Cook county, especially in connection with the rivers and streams that flow thruout the county.

To do a good job in connection with this work, they must have the co-operation of every family in this area, it was said. It is perfectly natural for people living in the area to know more about what is going on than any governmental agency in downtown Chicago, and the expense necessary to cover every corner of the County by an individual survey would be prohibitive. Therefore, it is only possible to get the information desired by having the people who are living with these conditions to report them.

Persons who know of any pollution going into streams or rivers in the area, are asked to report them to the Metropolitan Sanitary District of Greater Chicago, 100 East Erie Street, Chicago 11, attention William S. Nordburg, trustee. Tell him specifically where the pollution is coming in and an investigation will follow immediately.

Persons who know of any flood areas that can be remedied, and have any suggestions as to how, are invited to report these also.

HIGH SCHOOL RESULTS— (Continued from page 1)

step and the district is financially able to swing it.

LINCOLN-WAY HIGH, DIST 210

There was no contest in the Lincoln-Way high school district election Saturday. Ray Reiter was not a candidate for re-election and in his place will be C. L. Klasing, New Lenox. Klasing operates a business in Joliet and is president of the New Lenox Lions club.

The other member chosen was an incumbent, Lester Case, of Manhattan. The board will meet Thursday night to organize.

The vote:

	Klasing	Case
New Lenox	105	84
Frankfort	329	327
Manhattan	116	118
Mokena	123	119
Total	675	648

GRADE SCHOOL RESULTS— (Continued from page 1)

Swenson polled a total of 2,038 and Anzzolin 1,636 votes which Morse had 1,154 and Bolattino 953 in the complete unofficial returns. Anzzolin, a bookkeeper accounts, also is a member of the Fairmont grade school board.

ORLAND CENTRAL DIST. 136

Only 30 persons could be persuaded to vote in the Orland Center school election Saturday and when the final returns were in the vote on the proposal to increase the educational tax fund rate from 71 to 92 cents per \$100 equalized assessed valuation was a tie—with 14 for the proposition and 14 against it. Two of the 30 ballots cast were spoiled.

This means that the proposal was defeated and that the school directors will be unable to hire a second teacher—unless the people have a change of heart and approve the rate at a special election.

The board can call another election in 60 days and according to a spokesman that is what the directors plan to do. Orland Center will have a new school next fall and an enrollment that will require two

teachers. Under its present educational fund tax rate the district does not raise sufficient revenue to pay two teachers, it was explained, and it was for that reason the proposal to increase the rate was submitted to the voters last Saturday.

One director was elected, Henry Rafcz, an incumbent. He received 28 votes.

COOPER GROVE

Cooper Grove school, Dist. 160, east of Tinley Park, will be operated now under the direction of a board of education rather than a board of directors. A seven-member board was elected at the regular school election Saturday and was organized Monday night.

Cooper Grove voters also approved two tax rate increases, one for a hike in the educational fund from \$1.17 to \$1.38 per \$100 of equalized assessed valuation, and the other for a boost in the transportation tax rate from two to 10 cent.

Vote on the education fund rate:

Yes	183
No	103

Vote on the transportation tax increase:

Yes	165
No	118

The present rate for the educational fund produces approximately \$13,900 a year; the new rate is expected to bring in \$16,300. The educational fund provides income to meet salaries and other expenses of operating the school.

The new board is made up of Thomas J. McArdle, John Forsgrens, Donald C. Swanson, George Hein, Mrs. Annie B. Jeffrey, Clarence W. Beam and William H. Hastings.

At the organization meeting Monday night Mr. Beam was elected board president and Mr. Hastings, secretary. A clerk will be named later.

Vote for board members:

McArdle	212
Forsgrens	185
Swanson	179
Hein	172
Jeffrey	171
Beam	168
Hastings	166
Rees B. Davis	154
K. M. MacKenzie	148

DOCTOR

Lynn Carl was elected director of the Doctor school, district 137 for a full term of three years. He received 19 votes and was unopposed.

MAUE

Norman Strassenberg was elected director of Maue school, district 138, for a 3-year term. He had previously served on the board for one year for Edward Mrosek.

HOLLSTEIN

Clarence Coy was elected director of the Hollstein school, district 139.

SCHMUHL

William Stoner was returned to the board of Schmuhl school, Dist. 121, in the election Saturday. Edwin G. Woodcock was elected to fill the vacancy created when Clarence Newman moved to New Orleans. Sixteen ballots were cast, with 13 for Stoner, who was unopposed for a three year term; and 10 votes for Woodcock also unopposed, to finish out the one year remaining in the term of Newman.

KIRBY DISTRICT

An increase in the educational rate for Kirby school Dist. 140, was turned down by voters in Saturday's election. The board of education had requested the rate be increased from 1.13 per cent to 1.34 per cent as assessed by the department of revenue. There were 75 votes for the increase and 98 against it. Nine ballots were spoiled.

In the same election there were two candidates for the one place to be filled on the board of school directors. The

successful candidate, Joe Yokley received 125 votes. His opponent, Edward E. Waldrop, received 51 votes.

Funeral Services For John Yunker Set For Friday

Funeral services for John Yunker, 53, late of 6919 W. 173rd place, Tinley Park, are to be held tomorrow afternoon at 2 o'clock from the Tinley Methodist church with the Rev. Kenneth Crandall officiating. Burial will be in Skyline cemetery.

Mr. Yunker was found dead Tuesday morning in a garage at the rear of his house. He had been struck below the heart by a charge from a shotgun. The inquest conducted yesterday in the Hirsch funeral home at Chicago Heights a jury held that the wound was self inflicted while Mr. Yunker was in a despondent state of mind.

The body is at the Hirsch chapel, Tinley Park, where friends may call.

Mr. Yunker is survived by his wife Laura, two daughters, Mrs. Edna Arthur and Mrs. Evelyn Goetsch, both of Tinley Park, and a son, Earl E. of Plainfield. Also two sisters, Mrs. Elizabeth Warning, of Mokena, and Mrs. Minnie Graves, of Mokena, and two brothers, Philip, of Hazel Crest, and Fred, of Mokena; also six grandchildren. He was employed at Wyman Gordon company, Harvey.

Episcopal Bishop From Tokyo to Speak At Palos Church

The Rt. Rev. Kenneth A. Viall, S.S.J.E., assistant Bishop of the Diocese of Tokyo of Nippon Seikokai, the Episcopal church in Japan, will speak jointly to the congregations of St. Raphael the Archangel (Oak Lawn), and of Transfiguration at the Church of Transfiguration, 123rd St. and Southwest Highway, Palos Park, in the evensong service which begins at 8:00 pm. on Sunday, April 20.

This special missionary service, sponsored jointly by St. Raphael's and Transfiguration, is designed to acquaint the people of the world wide nature of the Anglican Communion. Bishop Viall will preach on the subject, "Christian challenge in Japan." The young people of the two churches will usher, and serve refreshments at the reception following the service. The adult choir of both churches will sing.

Ask Square Dance Groups to Entertain At Oak Forest Hosp.

The recreation department of Oak Forest hospital reports that a great many patients at the Cook county hospital for the chronically ill, at 159th and Cicero, are interested in square dancing, and is inviting square dance clubs from the Chicagoland area to present exhibitions for the patients.

Interested groups should contact Walter Dohl, director of recreation, to schedule a date, at FU 8-2360, or WA 8-4200. He believes many of the patients medically eligible, would enjoy being invited to step into a square with experienced dancers.

Calumet Skyway Open to Travel

The Calumet Skyway, a six lane road seven and a half miles long extending from Indianapolis boulevard and 106th street to 63rd and State on Chicago's southside, was opened to travel yesterday. It hooks up with the Indiana toll system.

Cost of the link is placed at \$101 million. It is a tollway, paid for by bonds that are scheduled to be retired in 40 years from toll receipts. Before the toll roads become free roads it is estimated by those familiar with the picture that some \$7 billion will have been collected.

The toll charge for the Calumet Skyway will be 25 cents for a passenger car and a dollar for boxcar type trucks. The tariff on Chicago's first tollway built 110 years ago, was about the same, 25 cents for a team, 12½ cents for a rider and horse. The toll roads of a century ago were built of planks and were uncomfortable to travel on but they did keep one from becoming mired. There were several plank roads built out of Chicago and in the surrounding areas. They were built thru stocks issues and purchased by the public.

205 Employees Now

The hospital presently employs 205 workers. By the end of this month with the addition of women patients expected to arrive, there will be more than 400 patients in the wards.

The utilities and related facilities have been planned for a state hospital with the ultimate capacity of 3,500 patients. Future development of the hospital will include an administration building and receiving and diagnostic building.

ORLAND PARK

C. L. Miller, 155th and Wolf road, Orland Park, has received an award for three years of safe driving for the Shell Oil Co. He was one of 218 Shell employees in the Chicago division who were similarly honored.

The names of Janice C. Creer, Barbara L. Schmaedeke, Charlyne M. Speer, Robert W. Koch and Lawrence W. Gagan were inadvertently listed as members of the confirmation class in the Orland Methodist church. They should have been listed as of the Christ Lutheran church.

the main building runs from the edge of any projection from the structure. The builders contend that the sideline of the main building refers to the foundation.

There is not enough air space between homes with wide eaves, board members agreed.

Sewage Treatment

Under the terms of the contract entered into by the village and the developers of Orland Park Hills Gardens the developers are to build a sewage treatment plant after 250 homes have been built. In the meantime sewage is to be channeled into a pond or lagoon, to be finally disposed of thru oxidation.

Engineers say the lagoon system is all right but is seldom used because it requires too much land. There is enough space at Orland Park Hills, they said for the system to work properly, and added that there should be no objectionable odors.

Members of the Orland Park village board expressed the fervent hope that the engineers are right, especially about the odor.

Permission to put in the lagoon system was given by the Chicago Sanitary District.

Lester Van Beveren, who purchased a home on a big lot from Bartlett's, now finds himself between two streets on the Orland Park Hills Gardens plat. One of these streets is partially completed. The other is still on paper. Van Beveren came to the Orland village board meeting Monday to see about drilling a well. He said that he had been getting water from a line to a well in Orland Park Hills but that he had been informed the pump was to be removed and he would be without water.

New Permit Fees

Van Beveren's lot is 150 feet wide and 220 feet long. He told the board that he had given the developers of Orland Park Hills 15 feet off his lot for street purposes, 10 feet at the west end and five feet at the east. The developer is now asking him for \$9,000, Van Beveren said, to pave the streets bordering his property and installing water and sewer mains.

An ordinance was adopted Monday night amending the building code. The fee for a building permit for a commercial building is now to be \$5 per thousand cubic feet but with a minimum of \$150. The fee that had been in vogue is lower.

For example, a building permit was approved Monday for a gas station to be built along U. S. 45 near 149th st. by Merrill Cooper. The permit fee in this instance was \$20.

Kenneth Steininger of 14501 S. Oakley, was granted a permit to build a swimming pool. The pool, the permit says, is to cost \$1,500.

University of Illinois College of Agriculture is planning a "Guest Day" for high school students, their parents and friends on Saturday, April 19. The purpose of the guest day is to encourage high school students to attend college and to tell them the many opportunities open to agricultural college graduates. Students interested in attending "Guest Day," should send their names to the associate dean's office, College of Agriculture, Urbana, Ill.

Recent research work with a new feed additive, Tapazole, in beef cattle rations has caused cattle feeders to ask questions. What is Tapazole? It is a synthetic chemical that represses activity of the thyroid gland. Why the interest in it in cattle feeding programs? In two short trials, the product has stimulated gains by 9 to 12% and reduced feed costs by 7 to 8%. It is still an experimental product. More research is needed before making recommendation on its use.

Farmers with wheat acreage reserve contracts must remember that their contract provides that they stay within their corn allotment and the soil bank base established for their farm. Failure to do so will result in a penalty.

Did you ever want to know what to charge for custom work or what you should pay someone else? A new publication, Power Operated Farm Machines 'Custom Rates for the Pse of Power Operated Farm Machines' is available at this office, free. The circular is new this year and includes custom rates for drying corn.

While visiting the Floyd Adair farm, Chicago Heights, a discussion arose about spreading liquid fertilizer, and in particular, calibration of field speed in miles per hour. Proper field speed is important in spraying either fertilizers or insecticides and herbicides. Be sure to calibrate in the field and not in a hard and level farm yard.

Over 111 farmers in Cook county tested nearly 5,000 acres of land for acidity, phosphorus and potassium. This is a woefully small figure when you consider there are over 140,000 acres of farm land in the county.

Aldrin and heptachlor are two chemicals that can be used to control soil insects attacking the

roots and seed of corn. They can be broadcast or applied as a band treatment. Use 1½ lbs. of actual chemical per acre for broadcast treatment. One pound may be used in band treatment. These chemicals are available as sprays, in granular form or mixed with fertilizer.

This is a good time to cull unprofitable, low testing dairy cows. The price outlook for lower grades of beef is favorable. In culling these unfavorable cows it will increase your earning and take surplus milk off the market.

Fertilizing corn land while it is still in pasture will enable you to reap two harvests from the fertility investment.

LINCOLN LOG

ESSAY CONTEST FINALIST

Ken Lorenz, son of Mr. and Mrs. Herman Lorenz of Mokena and a sophomore at LincolnWay one of 25 finalists in the essay high school, has been selected as contest on "The Value of Animal Experimentation." He was notified of the selection by the Illinois Society for Medical Research, who sponsored the contest.

Ken was sponsored by the Biology club at Lincoln-Way. The students were required to write about a particular aspect of animal experimentation, such as heart research, radiation research or the historical development of basic knowledge on biology.

The essays were judged on the merits of the thought expressed. The best 25 were forwarded to judges for their final rating from which ten prize winners will be determined. The result of the contest are expected around the latter part of April.

First prize is a \$200 savings bond and a trip for the winning student and his biology teacher to the award ceremony at the

1958 annual meeting of the Illinois State Academy of Science; second, a \$100 savings bond and third thru tenth, a \$25 savings bond.

OUTDOOR PROGRAMS

George Abraham, biology instructor at Lincoln-Way is taking part in group studies at the Morton Arboretum on several evenings this Spring. The program each time is produced by the members of the groups themselves and conducted by the individuals on advanced study and research of such topics as "The Ecology of Bird Life in the Chicago Area," "Insects," "Weeds," "Photographing Nature," and "The Prairie." In furthering this experience, field trips, lectures, and laboratories, and guest speakers will be conducted.

PLAY DAY

Lincoln-Way's Girls' Athletic Association sponsored its third annual eighth grade play day last Saturday, April 12. All eighth grade girls in the school district were invited. Raydene Cook and Kathy Berlin, co-chairmen, held registration from 8:00 to 8:45 a.m.

The program was completed by 11:45. The committee chairman who served were: registration, Willa Schroeder; hostesses, Lellie Ekedahl; officials, Lois Fee;

equipment, Mary Jane Donaldson; publicity and decorations, Carol Werner; program, Kay Gersich; entertainment, Paula Mueller; refreshments, Judy Marcec and clean-up Sharon Cappel.

School District 160

Well, the smoke has cleared and we have a new school board. Unhappily, the board was elected by one of the smallest turnouts on record—only 22% of Country Club Hills residents saw fit to vote in this most vital election.

All candidates were well qualified and those who did vote had difficult decisions to make. Elected were Thomas McArdle, John Forsgren, Donald Swanson, George Hein, Annie Jeffreys, Clarence Beam, and William Hastings.

And now that we have elected this new school board—what is the next step. Just to sit back and say "alright, it's up to you—give us a good school system?" Definitely not! As interested residents, it is our duty also to keep abreast of the problems facing these dedicated people.

Elbert Hubbard once said "If you don't care to be criticized, do nothing." Criticism comes easily, BUT, before we criticize, let's make certain we have the facts.

The new school board has an extremely difficult year ahead. It can be made a little easier if we—as members of the district—are accurately informed of the problems facing us and the progress being made. Now this doesn't mean talking with neighbors over coffee cups. Accurate information comes first hand. Not third, or fourth.

Attend your school board meetings. They are held once each month. The next meeting date will be published as soon as the new board decides on the night.

Let us demonstrate to these people, who are dedicating their time and effort, at no salary, to the betterment of the community that we want to help, too—and the first step is to understand the problems correctly.

Now that we've seen you at the polls, let's continue our support and make our next slogan "See you at the school board meeting!"

LeRoy Simmons, is ending three years of service on the Cooper's Grove school board. Because of recent ill health, he decided not to run for re-election. Mr. Simmons, in addition to being a member of the board also served as clerk—a very time-consuming and exacting position.

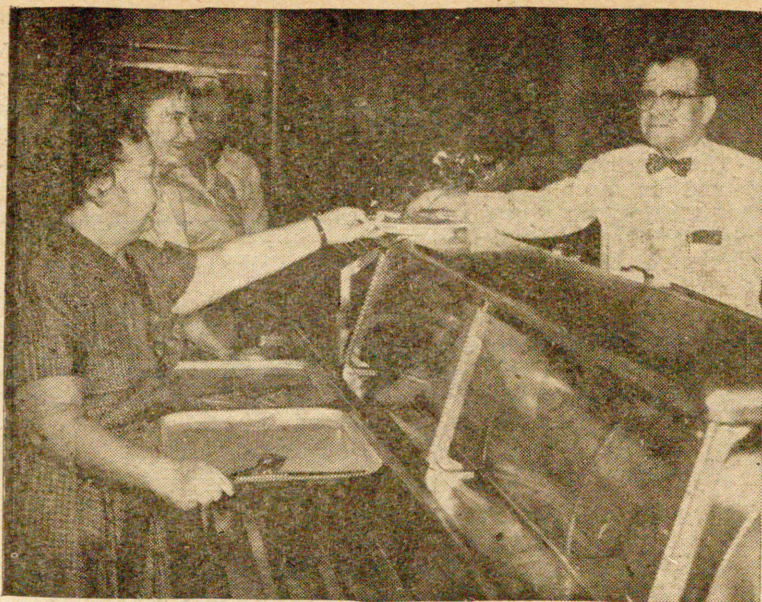

His co-members on the board, in addition to the entire community, wish to thank Mr. Simmons, himself the father of eight children, for his years of service. In a brief talk to the persons attending "Know Your Candidate Night", Mr. Simmons cited some of the problems facing the school board. His main plea was for harmony and understanding between the board, teachers, parents and the community as a whole.

Most of you have probably received your share of the 1,044 (!) boxes of cookies sold by the Girl Scouts and Brownies in this area.

Mrs. James Moore, chairman of the Cookie Drive, wishes to thank all who co-operated to make the sale a success. Also heard is a large sigh of relief as the last box is called for and her living room returns to normal. (Imagine having 1,044 boxes of cookies in your living room?)

Easter Monday, the members of Brownie troop 266 spent the day at Brookfield zoo. Mrs. James Moore, troop leader, Mrs. Leek and Mrs. Ferguson were

in charge of the 14 Brownies and seven miscellaneous small brothers and sister.

In Country Club Hills we have one intermediate Girl Scout troop and two Brownie troops.

The need for a new Intermediate Scout troop is upon us—particularly by fall when several of the Brownies will be "flying up". If you would like to be a leader or co-leader, please call Mrs. Amy Zimmerman, SYcamore 8-6813. More later.

Homeowner's Association

The monthly homeowner's meeting was a real wing-ding! Standing committees were established with Ray Gaertner, chairman, by-laws committee and Mrs. E. B. Wulf, social chairman. The decision was made to appropriate a small sum to institute a survey of the pros and cons of incorporation. More later.

Also, a letter is being drafted to explain the function and aims of the Homeowners association. This letter will be sent to all residents of the community. A great many facts of this, or organization, will then be better understood.

United Christian Church

Mrs. Kenneth MacKenzie, Sunday School Superintendent, has announced that a daily vacation bible school will be held from June 9 to June 20, from 9 a.m. to noon in the Homeowner's building, 180th and Thomas Lane. This Bible school is open to all school children at the small charge of 50 cents per week for each child. This is to cover the cost of supplies and refreshments.

It will be necessary to register children before May 15th. This can be done any Sunday between 9:30 and 10:30 a.m. or by calling Mrs. MacKenzie at SYcamore 9-5399.

Have any old screen doors? Jim Ramser, SYcamore 8-9422, can use any available for class dividers for the Sunday school. Many have bought new combination storm doors and if your old screen door is just taking up otherwise usable space, why not call Jim?

Sunday school for school age children will be at 9:30 in the Homeowner's building. Church at 11 a.m. with Sunday school for pre-schoolers and nursery for toddlers. Babies in baskets at Ramseyer's this month, 18210 Anthony.

All protestants in the area are invited to attend services.

St. Joseph's Catholic

The Women's guild of St. Joseph's church in Homewood will have their annual card and bunco party Friday, April 18 at 8 p.m. in the school, 178th and Dixie highway. Tickets may be purchased at the door, or from Mrs. Lawrence Simon, 18151 Patrick ave., SYcamore 8-7478. Proceeds will be used to purchase an audiometer for the school.

Boy Scouts

Troop 286 is planning another overnight trip, April 18-20. Cars will leave the Homeowner's building at 7 p.m., Friday night, for Camp Sullivan where the boys will camp out returning Sunday about 2 p.m.

There are 23 boys in the troop and all have their tenderfoot rating. Eighteen of the boys are ready for 2nd class rating. The Board Review for the 2nd class ratings will be April 25th. It would be a good morale booster for the boys, having worked hard, if all fathers could attend. New member Terry Schofer is 2nd class and almost ready for 1st.

Mr. John Ferris is now junior assistant Scoutmaster. He has previously been a patrol leader. John is only 14 years old and is a star scout in every way.

There has been a great deal of comment lately about the increasing vandalism in Country Club Hills. Since all things are said to be relative, one wonders just how relative is the fact that the Cub Scout movement may die aborning for the lack of a few male volunteers to channel these young boy's energies. (There is no shortage of Den Mothers.)

If you have ever had Scout leader experience, ever been a scout or are just interested in watching a boy grow mature and learn useful things under your guidance, please call Dan O'Connell, SY 8-8856. Surely someone can spare a few hours a month!

Youth Activities

The youth activities group of this area was able to add 50 dollars to its treasury this week by clearing the field west of Cicero and south of 183rd of waste paper. The money will be used to buy equipment. Twenty-three boys and girls took part.

P-T-A News

Lt. Nathan Klein of the juvenile bureau will be the speaker Thursday, April 17. Let's all turn out to hear this well-informed man.

Donald Schwenk, president of the PTA wishes to acknowledge the "thank-you" letters written by the 3rd and 1st grades, winners in the recent membership drive. The 3rd grade voted to buy a square dance album while the first grade voted to buy paint brushes.

Membership is always open—join this Thursday, April 17, or call Jim Moore, membership chairman, SY 8-9483. Bob Fitzpatrick, director of public relations, sent over the following information: "Sunday, April 20 has been decided upon as 'Open House' day at the Country Club Hills fire house. The hours will be from 1 to 5 p.m. Members of the fire department will be on hand to answer any questions and to explain the workings of the fire engine. They hope to have a nice turnout. Any and all are invited.

Naturally there are some items which are lacking but the fire department is equipped right now to handle any emergency. This is an opportunity for everyone in the district to see just exactly what they do have.

At 1:30 p.m. on that day, the Rev. Robert J. Loftus, assistant pastor of St. Joseph Roman Catholic church in Homewood will bestow the blessing of the church on the fire engine. The Rev. J. J. Boskirk of Country Club Hills United Christian church will also take part in the ceremony.

Telephone stickers with the Fire and Police numbers were circulated April 12 and 13. These stickers are to be placed on the telephones for easy access in case of emergency. There is still some difficulty convincing people that there is a new fire number—SYcamore 8-3171.

Thursday, April 10, Fire Insurance Underwriters tests began with a pumping demonstration in Dolton. Our "rig" passed these severe pressure and capacity tests with flying colors! During this week the Underwriters will be conducting tests and surveys in the village. When this is completed we will be given a new insurance rating which will reduce our fire insurance premiums considerably. This decrease in premium payments can only be brought about by the proper equipping and training of YOUR Volunteer Fire department, another reason everyone should do their utmost to support the department. They are working FREE for our betterment.

On Sunday, April 13th, the Chicago Tribune photographer was here to do a picture series on the fire department. It will appear in the Southwest section of the April 20 edition (the day of the open house).

No reportable fires as yet—just drills.

Mother's Club

The Mother's club wishes to thank the first, second and third grades for their "thank you" letters they received for the library books and square dance record.

At the last meeting the treasurer reported that seven teachers each have received their \$25.00 worth of library books. Other gifts presented to the school by the Mother's club are: 1 S. V. film strip machine, a complete volume of World Books, and a carrier stand for them. This completes the Christmas gift order.

Plans are rolling along for the Fun Fair, May 25. All donations are appreciated as everyone's co-operation is helping each child of Cooper's Grove school. Three grand prizes are to be given that day. Tickets may be purchased from

members. (New members are always welcome).

Save all your pennies, kids, for the live pony ride (it's possible to ride a dead one?) at the Fun Fair. We expect to meet all you Wyatt Earps' and Annie Oakley's at the PONY RIDE.

Missellany

Two members of the Country Club Hills contingent of the Homewood Junior Women's club recently appeared in the one-act play "World Without Men". The play was given as their entry in the Southside competition. Four Junior Women's clubs competed. Country Club Hills members were Mrs. Glenn McKenzie and Mrs. Harry Schlinker. Altho the group did not win a prize, Nona Schlinker placed second in the "best actress" category.

Mrs. Ray Galiga has her mother, Mrs. Belle Lindholm, visiting from Hattiesburg, Miss. She has been busy sightseeing and, as a farm dweller, is especially impressed by the beautiful farm country surrounding us. Luncheon was given by Mrs. Chloe White to introduce Mrs. Lindholm to her daughter's neighbors. Present were Mrs. Joan Irvine, Mrs. Charlene Eggers, Mrs. Bernice Hancock, Mrs. Bethanne Schwenk and Mrs. Jane Wulf.

Mr. and Mrs. Kenneth Waddell and children, Terry, Kathy and Timmy, spent the Easter holidays with their families in the Quad-cities.

A birth announcement from Mr. and Mrs. Tom Woodstrup (Pat) brings news of a sister, Wendie Sue, to join her two older brothers. Wendi was born on St. Patrick's day. Pat taught several terms at Cooper's Grove School.

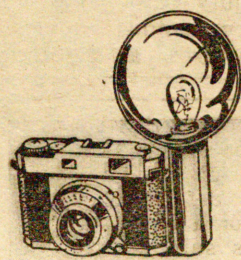

George and Jessie Hein and children had Easter dinner at Keith's restaurant in Homewood. Jessie had won four free dinners in the recent Homewood Merchants' Fiesta.

Just a thought in closing—practically all of us at one time or another have called the construction office with complaints or request for help. How many of us ever thought to call back and thank them when a job is well and quickly done. It might make their day a little brighter. The same might be said for our teachers who often labor under terrific handicaps. A little appreciation goes a long, long way.

Well, as that lovable old cynic La Rochefoucauld once said, "When you reach the bottom of the page, quit." Fini until next week.

"... Kids want something exciting. Perhaps they just ought to belong to a fire department, they'd either go plumb crazy or then learn to settle down right quick."

HEADON COLLISION—wrecks car of Mrs. Wilma DeChant, of New Lenox. The accident occurred at 183rd and Sayre ave., Tinley Park on Wednesday afternoon of last week. Driver of the other car was Loretta Pander, of Midlothian, a nurse at Oak Forest Infirmary, who suffered no injuries, but was shaken up by a cut on the head, requiring four stitches

the force of the impact. Mrs. DeChant suffered bruises. Her daughter, Gale 6, who was riding with her, was also bruised and shaken. She is under doctor's care to determine if there are any internal injuries. The cars collided as Mrs. Pander, driving south on Sayre ave., attempted to make a left turn on to 183rd st. Mrs. DeChant was driving west.

Appellate Court Affirms \$42,500 Judgement Against Calumet City

(CNS)—A \$42,500 judgment against Calumet City, ordered by a Superior court jury one year ago, has been affirmed by the Appellate court. The judgment was awarded a Lansing mother injured in an auto-fire truck collision.

The collision occurred March 30, 1950 at the intersection of 159th street (Route 6) and Burnham avenue, now a part of Calumet City.

Mrs. Mary A. Frunk, 45, of 18344 Chicago avenue, Lansing suffered injuries to her face, mouth, and jaw in the accident.

The fire truck and a police squad, that preceded it west on 159th street at the time of the accident, were both Calumet owned vehicles. They were proceeding to a fire.

At the time of the collision Mrs. Frunk was riding in a car driven by her daughter, Mrs. Betty Lindsey, 21 of Key West, Florida. The car, owned by Mrs. Frunk's husband, John, was going north on Burnham. Mrs. Frunk's son, John, Jr., was also a passenger in the car.

The traffic light facing Mrs. Lindsey was green, the opinion said. Mrs. Lindsey and Mrs. Frunk contended they did not see the fire truck or hear its siren until a moment before the collision.

"It was not hard for a jury to find she (Mrs. Lindsey) was driving with due care and caution," the opinion said.

"The green light was an invitation to the driver and to Mary Frunk to proceed thru the intersection and an assurance that they could do so in safety. 'There is no direct evidence that either Mary or Betty heard or saw the fire truck until they entered the intersection,' the opinion added.

Personal injury suits against the city filed by Mrs. Lindsey and John, Jr., six, were dismissed at the close of the plaintiff's case.

The Superior court trial was before Superior Judge Matthew D. Hartigan. Judge Hartigan overruled the defendant's post trial motion for a new trial.

Mrs. Frunk's suit, drafted by Attorney Roman Posanski, sought \$50,000.

County Opens Bids on Paving and Flood Relief

(CNS) County board has opened bids for road paving project in Bremen and Orland township and also for flood relief improvements at Kedzie avenue and Midlothian creek in Bremen township.

The last mentioned is the biggest project and the Thomas M. Madden company filed the apparent low bid of \$145,368. Work will be centered on Kedzie between 137th and 139th streets.

The project consists of relocating Midlothian creek between 137th and 139th streets, filling

in the old channel, and construction of a triple barrel box culvert, 11 by 8.5 feet, at 137th and 139th streets. Sections of roadways on Kedzie, 137th and 139th also will be reconstructed.

Other projects involve bituminous surface treatment of roads. Apparent low bid for the Orland township job was filed by S. G. Hayes & Co. in the amount of \$14,791.

Do-It-Yourselfers Compile Fat Casualty List, Safety Records Show

Worried about the recession? Just join the swelling ranks of do-it-yourselfers, but watch that finger.

Studies by the Institute for Safer Living of the American Mutual Liability Insurance Co., indicate that after a two-year leveling-off period, home fixit and building activities may be starting on another upswing. The current cutback in employment and some slowing of business in general may be a triggering influence, Institute officials say.

Record of the Institute show that along with the do-it-yourself boom over the past decade has come a startling rise in the number of disabling home injuries. The increase has been attributed directly to home work projects. A country-wide survey taken in 1955 set the number of do-it-yourself injured at 639,000 per year. With this renewed interest in do-it-yourself activities the Institute estimates that total home accidents from this source in 1958 will approach 700,000.

Take It Easy, Folks

Center of activity appears to be the home workshop where nearly every member of the family occasionally takes a hand at operating dad's power saw, or whacking away with hammer and nail; all to the tune of a probable 260,000 tool and workshop injuries this year. If this figure seems high, it's because nearly 13 million homes are now equipped with workshops. Nearly all have one or more pieces of power equipment.

Power and hand tools, however, make as "miserable" showing against ladders when it comes to producing accidents. People are now tumbling from home ladders or otherwise getting hurt while using them at the rate of 392,000 disabling injuries annually, and this is the season when ladder accidents begin happening fast as a result of painting, repairing roofs and gutters, and taking down storm windows.

So take it easy, and safely, if you seek do-it-yourself as a means of escape, whether from a recession or a business boom.

Tinley Personals

Mr. and Mrs. P. L. Jochum and daughters returned from a delightful eight day vacation spent at Gettysburg, Penn., Washington D. C. and beautiful Shenandoah National Park, Va. While in Washington they visited all the usual tourist attractions. An evening was spent with the Dick Nebel family, former Parkside residents. The Nebel's tiny daughter Christine is a charming addition to the family.

Mrs. Arthur Keuch has returned from a pleasant week's vacation in Arkansas. She motored with Mr. and Mrs. Arky Nuell. Harry Marzolf Jr. has returned from Little Company of Mary hospital where he was a patient for three months. He is in a cast and then on crutches for seven or eight months to come.

To Show Colored Slides

The Service League, women's group of the Tinley Park Reformed church plan a special evening for April 21 in the church. Colored slides and a talk on Arabia is the topic of the meeting.

The Royal Neighbors of America, Dew Drop Camp 2023, met Tuesday evening in the American Legion hall with Oracle Nettie Kurz welcoming into the membership Juanita Semlow as a new member. The first meeting in May was scheduled as a Mother's Day party night. The group decided to send a contribution to the RNA home. Victoria Bendler received the award of the evening. Hostesses were Anna Dull, Edna Clark and Cecilia Chaldron.

Last week this column carried a plea to all who burn garbage to avoid doing so in strong winds. The unfortunate grass fire on the Halls' property was certainly not caused by the Halls—they just had the aggravation.

Mrs. Peter Hall is on the sick list. Mrs. Hall makes use of her bicycle getting around in the nice weather, as does the writer and Agnes Peters.

Little Cynthia Uitto is feeling better after a bout with tonsillitis.

Thanks are in order: from the community to the 3 civic-minded women serving as clerks in the election Saturday. Mrs. Snyder, Mrs. Frye, Mrs. Munson looked so pretty, too. So did Notary Public Lela Pope, Tinley Park. From the women thanks to Alice Bell, June Brumleve for hot coffee, Dorothy Waldrop for sandwiches, which they thought fully contributed.

The board of directors of Property Owners Assn. welcomed Louis Flood to their fold. He evidences devotion to his community by giving freely of his time and energy.

April 26 is the date for the Cub Scout banquet, in Harvey. Flora Snyder, president of Mothers club, reported the card and bunco party a success, netting about \$35.00. Everyone enjoyed refreshments and prizes.

Agnes Peters is new member of entertainment committee of Property Owners Assn. Bingo party and bake sale now are being planned.

Talking of bake sales, the PTA bake sale Saturday netted \$15.00.

The Uitto's have commenced their fishing excursions to Jackson park. Last week the Bells from Crestwood joined them for a try at the smelts. Result, not many fish caught, but an enjoyable barbecue.

PTA's 4th annual district 19 dinner April 29 will be at Silver Lakes golf courses. Reservations must be in by April 22. Contact President Dorothy Goble for reservation blanks and information.

Mrs. Goble is to be delegate to PTA State convention, April 17-19, Springfield, by attending meetings and a dinner on one of the days.

Mr. and Mrs. Eugene Thomas had their parents, Mr. and Mrs. Graefen, Mr. and Mrs. Thomas, as guests for chicken dinner Sunday.

Mrs. Carlton, Mrs. Sutton, Dorothy Cluck, Jean Flood have not been feeling up to par lately.

Two freak accidents were reported this week: Bill Goble slipped on grease and was given crutches temporarily due to injury to his knee. That didn't stop him from attempting to dance at the wedding reception of his boss' daughter Saturday night! Then uncle in the Goble family, Burt Fuller, severely scalded his hand with something on the stove. Enough is

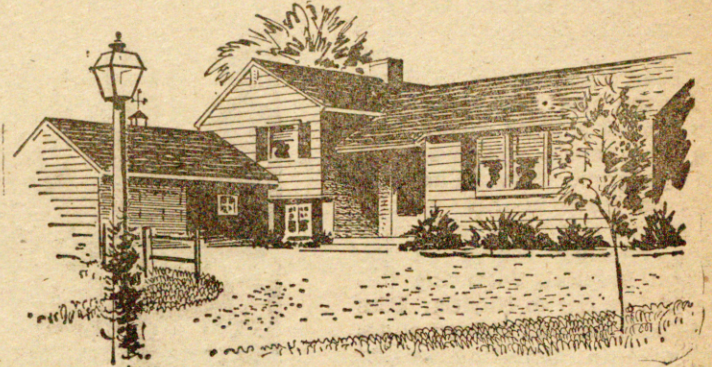

enough! We hope that's the end of such things.

Many thanks to all Southlands residents who are answering the plea of food baskets and assistance for the Carlton family.

Kay Collins and Allen Spainhour attended open house at the parsonage of First Baptist church for the new Baptist minister. Kay was asked to serve at this occasion last Sunday.

Mrs. Charles Elliott entertained in her home Saturday afternoon in honor of her friend, Miss Asla Thompson, a medical missionary returned from the Sudan interior mission at Egbe, Nigeria. Miss Thompson, who is sponsored by the Moody church has been a missionary in Nigeria for the past 25 years. She has formed a leper colony and has done considerable work in the eye clinic there. She has been on leave in this country for a year and is presently taking a refresher course at the Berwyn hospital. Following this she will return to Nigeria. Miss Thompson showed colored slides and gave an interesting account of her work. Mrs. Elliott served refreshments following Miss Thompson's program.

The April meeting of the Marley Woman's club was held Thursday afternoon in the home of Mrs. Harold Mohny. Mrs. John Hasibar was co-hostess. Dessert coffee was served at 1:30 o'clock. Honored guests were the county officers, Mrs. Peter Larsen of Wilmington, president; Mrs. Donald Webster of Elwood, corresponding secretary; and Mrs. Charles Elliott treasurer. Other guests were Mrs. Howard Griffin, and Mrs. Lewis Greenwalt.

The program was a colored movie film on tuberculosis, shown by Mr. Davis of the Will County TB Association. The May meeting will be an all day sewing session at the Silver Cross Nurse's home in Joliet. Hostesses will be Mrs. Victor Zaloudek and Mrs. Don Reid.

Donald Fitch of Los Angeles, Calif. was a visitor Thursday of Mrs. Adella Sproat.

The annual family party of the Maple Street Arbor of Gleaners will be held Friday night, April 25 in the Homer town hall at 8 o'clock. Ladies are requested to bring cake or sandwiches. Mr. and Mrs. Clarence Rowley of Plainfield were guests Sunday afternoon in the home of Mrs. Adella Sproat.

The second night of the school of missions will be held in the Marley church Sunday evening, April 20. Slides on Japan will be shown.

MEMBERS OF ST. JUDE'S CHURCH enjoyed a memorable Easter Sunday when the first solemn high mass was celebrated in their new church at 8:00 a.m.

About 500 parishioners and visitors attended this mass with Fr. Denis Hall, O.F.M., pastor as celebrant, assisted by Fr. Odo Reuter, O.F.M., as deacon and Fr. Mel Doyle, O.F.M. as subdeacon. The church, which was just completed that week, was beau-

tifully decorated with Easter lilies and palms.

The adult choir, under the direction of Mrs. Harry Griffin, sang the high mass. Servers of the mass were: Robert Surges, master of ceremonies; Willie Kramer and Charles Carnahan, censor bearers; David Becker and Philip Landry as acolytes. (Winke Studio photo)

Lakes, Wis., was an Easter week-end guest in the home of his uncle and aunt, the John Dixons of 143rd St.

Carolyn Drewes of Lockport spent a few days last week with Dianne Morevec.

Mr. and Mrs. Robert Shepherd, Sr. entertained at a family dinner Easter.

The Pilgrim Fellowship will attend a United Protestant Youth meeting in Lockport Sunday evening.

A successful work day, sponsored by the missionary society was held Thursday at the church. Cleaning and sewing were on the agenda.

The Spring Luncheon of the Lockport Women's Council of Churches will be held May 2 at the Fairmont Methodist church, at 12:30. Tickets may be obtained from Mrs. F. J. Paddock.

Dean Anderson is a medical patient in Silver Cross hospital.

Mrs. Kate Vancil, Mr. and Mrs. Joe Vancil and daughter, Ruth, were Friday evening dinner guests of Mrs. Ira Anderson. Joe and Mrs. Anderson were celebrating their birthdays that day.

Jerry Paddock celebrated his

birthday April 8, by entertaining his cousins at supper.

Business and Finance

By MAURICE P. ANGLAND

Last week a major investment bank firm, Lehman Bros., announced the formation of a new mutual fund. This fund will start with upwards of \$70 million in its investment fund.

This is the first time a major investment bank firm has started a mutual fund. None of the 10 largest investment banking firms has previously gone into the mutual field directly. It is likely other top investment banking firms will follow this example.

A mutual fund is an investment vehicle which permits smaller investors to acquire a "cross section" investment in the leading corporations of the country. It has become one of the most popular mediums for the investment public. Prior to World War II, total assets of mutual funds were about half a billion dollars as against close to \$10 billion today. Today many comparatively large investors use these funds for investment.

Obviously, Lehman Bros. think this a poor time to risk investment capital. The stock market generally is down about 15 per cent from last year's high and industrial activity averages are off about 11 per cent. Partners of Lehman Bros. are directors of 77 corporations. Launching of this new mutual fund at this time, reflects the views of their research people and contacts of their partners on numerous boards of directors.

The firm has expressed a belief that the long term outlook is bullish. Some well informed investment people consider the current recession as merely an interruption in the long term growth trend. The well established population growth trend insures increases in consumption of many items including motor cars, washing machines, carpets, etc.

It was only a comparatively few years ago that the electric utility firms required a minimum of 5 per cent new capital each year to take care of their

growth in sales of electrical energy. Today these utilities are requiring about 8 per cent year in new capital and well informed sources state such utilities will now double in size each 10 year period due to increased demand.

Atomic power is starting to make itself felt now rather than fifteen or twenty years hence as was predicted.

Commonwealth Edison Co. is now bringing to conclusion the building of an electrical generating plant using nuclear energy instead of coal or hydroelectric installation. This plant is what is known as the Dresden plant. It was designed and built as a test plant to learn just how much energy could be produced economically and at what cost per kilowatt hour.

The Argonne Laboratory of the Atomic Energy Commission installed an electric energy generation plant on almost identical plans as those of Commonwealth Edison Co. at Dresden, but with expected generation of 5,000 kilowatt hours of energy. In the last few days this Argonne Laboratories generation plant has greatly surprised engineers by producing more than 15,000 K.W.H.

If the Dresden plant produces electrical energy on the same basis—and it is expected that it will—coal and hydroelectric installations will have a very hard time competing with nuclear energy in new power plants. Progress expected far in the future may be heretoday.

Natl. Tea's Net For 1st Quarter Sets Record

H. V. McNamara, president of the National Tea Co., announced today that the company's net profits for the first quarter ending March 22, 1958 were the highest in the company's history for any first quarter of operations, with the company's sales likewise at an all time high and far ahead of last year's previous record sales for the same reporting periods.

National Tea Co. total income before federal taxes for the first quarter, 12 weeks ending March 22, 1958, amounted to \$4,078,621, as compared with income before federal taxes of \$3,420,716 for the same 12 weeks of 1957, resulting in an increase of \$657,905 for a gain of 19.2 per cent in profits before taxes.

Net income after taxes amounted to \$1,938,601 for the first quarter of 1958, which is equal to 89c per common share on the 2,178,955 shares outstand-

ing, after provision for federal taxes of \$2,140,000. This compares with net income, after federal taxes, of \$1,610,716 for the first quarter of 1957, which was equal to 76c per common share on the 2,121,114 shares outstanding, after provision for federal taxes of \$1,810,000.

As previously reported, National Tea Co. sales likewise stand at an all time high for the first quarter of operations ending March 22, totaling \$175,242,410, as compared with \$143,361,026 for the corresponding period of 1957. This is an increase of \$31,881,384 for the year to date for a gain of 22.24 per cent over the previous record year.

"While new acquisitions have contributed substantially to both sales and profits for the year to date, the basic stores operated by the company a year ago, prior to recent acquisitions, have likewise shown satisfactory progress in both sales and earnings," McNamara stated.

During the first quarter of this year, 12 weeks ending March 22nd, the company opened a total of 23 new super markets and added 19 more super markets as a result of acquisitions in Peoria

and Chicago. Also the company had executed leases for 126 more new stores to be opened in 1958 and 1959, most of which represents expansion into new communities and areas, where the company is not now operating stores.

At the time of this report National Tea Co. was operating a total of 905 stores in 19 midwestern states from Canada to the Gulf and from Colorado to Ohio. This compares with 759 stores in operation at the same time a year ago.

CUB PACK 253

Cub Scout pack 253, Tinley Park, "Explored" Alaska at the March pack meeting in Zion Lutheran church.

Each den acted out the Alaskan theme in interesting presentations.

Den 1, Mrs. Virginia Craft den mother, gave a skit depicting a Yukon barber shop. Mrs. Wilma Smith's Den 2, presented a pantomime on the purchase of Alaska.

Mrs. Myrtle Hosle's Den 3 and Mrs. Leona Raines' Den 5, had a "dog sled race" with sleds made by the den dads and pulled by little "Cub huskies". Den 5 crossed the finish line first.

Den 6, Mrs. Barbara Rayson den mother, wore authentic, homemade Alaska Indian costumes and presented the den yell.

Cubmaster Robert Simenson, presented a gold nugget (candy) for each correct answer in a quiz about Alaska. Cub Scout John Ging earned a special prize for answering the greatest

number of questions.

One year service pins were presented to Lyle DeTalent and John Rayson.

CUB PACK 253

Cub Scout Pack 253 of Tinley Park staged a kite flying contest in Memorial Park on April 8. Winners were:

The biggest kite, Tom Raines. The smallest kite, John Gindville.

The most colorful kite, tie between Patrick Gallagher and Bob Simenson, Jr.

Highest flying kite, Glenn Houle.

Oddest shaped kite, Terry Carr.

The most expert kite handler, Ronny Klos.

All the kites were homemade. Police Chief Harold Moore was the contest judge.

Pack 253 will have a paper drive in early May. Committeeman Walter Gindville who is in charge of the project requests that all who want to help to save their paper, and tie it in bundles that the Cub Scouts can handle. Details as to the time of pickup will be announced later.
